

COFFEE GRINDER #40A

Silent coffee grinder

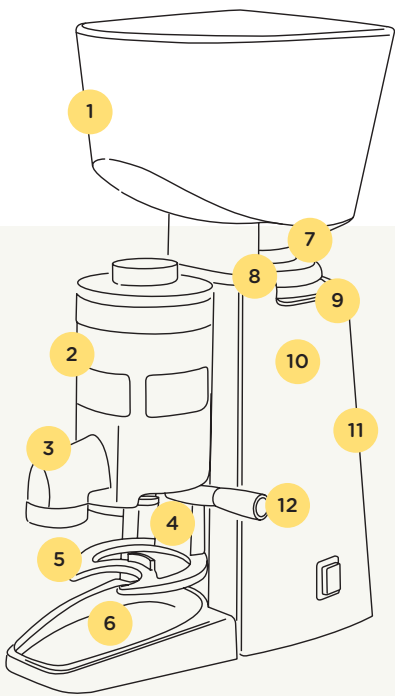

Compact, reliable and silent, this coffee grinder stands besides the traditional espresso coffee machine, in restaurants and bars.

It is equipped with a high precision portion dispenser, which refills automatically after dispensing, to keep a constant amount of coffee.

The dose of coffee dispensed is easily adjustable, from 6,5g to 9g.

Santos know how

- Since 1954, Santos manufactures its own grinding discs for a high quality grinding
